ON-SITE REMARKETING LOOK BOOK

Create Something Remarkable

At SaleCycle we believe that truly remarkable remarketing starts with great design.

Whether adding an element of urgency with an alluring on-site remarketing message, or tempting people back to complete their booking with a beautiful remarketing email - remarketing should feel like a natural part of your customer's booking journey.

This look book celebrates some of the best examples in on-site remarketing design from the world's most inspiring brands, all of whom embrace the importance that design and messaging has in making their customers' lives easier.

Your remarkable remarketing journey starts here...

The screenshot shows the Hertz website interface. At the top, the Hertz logo is visible. Below it, there are navigation tabs for 'Tarifs et Réservations' and 'Offres et services'. The main content area is divided into two steps: '1. Changer l'itinéraire' and '2. Choisissez un véhicule'. Under step 2, there's a section titled 'VOITURES HERTZ DISPONIBLES AGENCE' with a 'Hertz 24/7' logo and a list of benefits: 'Louez pour une heure, une journée ou une semaine', 'Choisissez la marque et le modèle de votre véhicule', and 'Le tarif inclut le carburant et l'assurance'. Below this, there's a 'Trier les résultats' button. A promotional message says 'Profitez de notre meilleur tarif du moment...'. The featured car is a 'Mini Citadines, 2-4 Portes, Boîte manuelle' with a price of '883.76 EUR'. The car details include '4 passagers', '1 Bagage de grande taille, 1 Bagage de petite taille', 'Transmission manuelle', 'Air Conditionné', and '17 Kilometers per Liter'. There's a 'Payer plus tard' button. Two overlays are present: a rectangular modal in the center and a circular overlay on the right. Both overlays contain the text 'Don't Go! Your car is waiting.', 'There are currently: 75 people making a booking online with Hertz!', and 'Click Continue to resume your booking'. The rectangular modal has 'No Thanks' and 'Continue' buttons. The circular overlay also has 'No Thanks' and 'Continue' buttons.
